VOLUNTEERS NEEDED FOR NORDIC PROGRAM

For the past 16 years, the Priest Lake Nordic Club has operated a ski program for elementary school students. The students from three regional schools (Priest Lake, Priest River, and Idaho Hills) participate. Students are bused to the Priest Lake golf course and ski or snow shoe for two hours on groomed trails. The events occur from January to March, usually on Tuesdays, Wednesdays, Thursdays, or Fridays for a total of six ski sessions. Volunteers are needed to monitor the students during the events. Skiers with all levels of skiing experience are needed. If you have the winter blues and want some healthy activity, please take this opportunity to experience the joy and delight of the students as they participate in this program. If you wish to volunteer, please contact me via email (donandgracia@aol.com), or call Bob Stutz (208-443-3130), or Cathe Rosenberg (208-699-0843). Also, volunteers are needed for grooming ski and snow shoe trails at Hanna Flats, the golf course, and other locations. For more information contact Tom Weitz (406-431-1219), or email (weitzinhel@msn.com).
